

greengable
pet services

7am - 7pm
7 days a week!

BECAUSE WE ALL LOVE OUR PETS!

Let us care for your precious family members, as much as you do.

Greengable Pet Services are fully insured, CRB checked, and extensively qualified in order to give your pets the love, attention, and best possible care they deserve, and more importantly, that you would expect.

We offer dog walking and a pop-in service, and operate within the Arnold, Mapperley, Woodthorpe, Sherwood and Gedling areas of Nottingham.

We are proud members of the National Association of Registered Pet Sitters and achieved a high pass mark on their LANTRA approved 'Pet Sitting and Dog walking Business Course'!

"After many years in management roles I decided it was time to achieve my life long ambition and dedicate my time to working with animals.

I have been the lucky owner of 3 dogs all wonderful in their own ways and 1 cat who lived to be the grand old age of 21."

Bernadette Clarke, founder.

pet services

Our services
start from just
£5.50!

Dog Walking

Dogs are very sociable animals and are at their happiest when they have company. Left alone they can suffer from separation anxiety, this can be the case even if left alone for short periods of time. Having someone to walk your dog will prevent this from happening. Walks can be arranged from 30 minutes, 60 or longer, and can be scheduled for multiple visits throughout the day should this be required.

Pop-in

Our Pop-in Service is ideal if you are away, at work or just busy doing other things.

We will visit your home and tend to your pets. The visit will include feeding, cleaning litter trays, playing, basic grooming and comfort breaks.

You will be kept up to date after each visit by one of our report cards that will have information on your pets activities during the visit or by email or text if preferred.

For Full details of our services including our price list please refer to our website.

Let us care for your precious family members, as much as you do.
